CRICKET VICTORIA

A great deal has happened in the Indoor Cricket circles recently. Firstly Australia won the Indoor Cricket World Cup in South Africa in October. Cricket Victoria and Cricket Australia hosted the Coaches and Captains at a luncheon on Day 3 of the Test Series.

Advertisements have been shown promoting Indoor Cricket over the Big Bash series and the Boxing Day test at the MCG.

Interviews with some big names such as Michael Clarke, Alan Border and Mark Waugh, discussing the benefits of Indoor Cricket to improve fielding skills, and also Guy Sebastian mentioning he played a lot of indoor cricket and that he preferred it.

These little things are very positive towards Indoor cricket being embraced into the Cricket family, and to the future of our sport.
